LETTER FROM THE DEVELOPMENT TEAM

Regeneration Outreach is a caring community that provides dignity for those in need, as an expression of Christian love in action.

We serve people who are homeless, or precariously housed, or who live in extreme poverty and experience severe deprivation.

We serve as a community. Creating community and fully welcoming people into the community is our strongest strategy for alleviating suffering and changing lives.

You and other supporters make an enormous difference in the lives of people who would otherwise be hungry, isolated, and alone.

By planning today for a gift in the future, you help ensure that someone will always be reaching out in Christ's name to people in need, and welcoming them into a warm, nurturing community.
